SlakSystem

Sistema scorrevole con veletta

Sliding system with a special guarding case

Semplice ed elegante porta scorrevole

Colcom propone SLAK, uno scorrevole con veletta, la cui peculiarità è la dimensione ridotta e leggera del profilo di copertura e la robustezza del meccanismo di scorrimento.

Slak è adatto ad una ampia tipologia di contesti architettonici sia moderni che minimali.

SLAK è predisposto per il fissaggio a soffitto o a parete, nella soluzione con anta semplice, doppia e scorrevole su vetro fisso.

Coerentemente con la sua filosofia, Colcom propone SLAK ad un prezzo decisamente competitivo.

Simple and elegant sliding door

Colcom is very glad to introduce you to SLAK, its new sliding system with a special guarding case.

Its peculiar features are extreme lightness and reduced size of the external case, as well as the robustness of its sliding mechanism.

SLAK is suitable for a wide range of architectural applications both modern and straightforward.

SLAK can be adopted for installations on ceiling or wall. It is available in different versions with single or double panel; both solutions either with sliding panels only or with fixed side panel as well.

Colcom, in accordance with its business philosophy, wishes to promote SLAK at a very competitive price.
